

PURPOSE

This CAN-P-1585 Appendix A document lists the Standards Council of Canada (SCC) Environmental Testing Working Group (ETWG) acceptable environmental testing Proficiency Testing (PT) Providers for accredited laboratories in the SCC Program Specialty Area - Environmental Testing (PSA-ET) program. The listing of a PT Provider of environmental proficiency testing samples in this CAN-P-1585 Appendix A does not imply its endorsement by SCC or its ETWG. For specific details of the individual programs listed below contact the provider identified.

AUTHORSHIP

This publication has been compiled by the SCC ETWG.
